**Sielox, Inc. Announces Purchase of
Industrial Vision Source (IVS) from Mace Security International, Inc.**

Coppell, TX – October 26, 2011 – Sielox, Inc. (the “Company”) (OTC Markets Group: SLXN) announced today that Costar Video Systems, LLC, a wholly owned subsidiary of the Company, acquired the assets of Industrial Vision Source from Mace Security International, Inc. (OTCQB: MACE). The acquisition was completed on October 21, 2011. The purchase price, including a potential earn out payment, is expected to be less than \$650,000.

Industrial Vision Source (“IVS”) is the oldest industrial camera distributor in the United States. IVS has been distributing machine vision, factory automation, microscopy and video teleconferencing products since 1989.

“We are excited to announce the combination of our businesses, which will strengthen our position as a leader in the industrial vision market and allow us to offer a greater level of support to our customers,” says Stephen Swearingen, Manager of the Industrial Division of the Company. “The combined company will operate under the name ‘IVS Imaging’ and will be headquartered in Coppell, Texas.”

About Sielox, Inc.

Sielox, Inc. develops, designs and distributes a range of security solution products such as surveillance cameras, lenses, digital video recorder, and high speed domes. The company also develops, designs, and distributes industrial vision products to observe repetitive production and assembly lines, thereby increasing efficiency by detecting faults in the production process. The

Company's shares currently trade on the OTC Markets Group (OTC) under the ticker symbol "SLXN".

Cautionary Statement Regarding Forward-Looking Statements

This document contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995 that involve risks and uncertainties, as well as assumptions, that, if they never materialize or prove incorrect, could cause the results of the Company to differ materially from those expressed or implied by such forward-looking statements. Forward-looking statements generally are identified by the words "expects," "anticipates," "believes," "intends," "estimates," "should," "would," "strategy," "plan," "will," and similar expressions. All statements other than statements of historical fact are statements that could be deemed forward-looking statements. The risks, uncertainties and assumptions include developments in the market and related products and services and other risks and uncertainties that may be disclosed by the Company from time to time in press releases or on its website. Accordingly, no assurances can be given that any of the events anticipated by the forward-looking statements will transpire or occur, or if any of them do so, what impact they will have on the results of operations or financial condition of the Company.
