He is also a consultant to Peerless Systems Corporation, advising the Company regarding the sourcing and execution of potential acquisitions. Previously, Mr. Wald was the Chief Operating Officer and Chief Financial Officer of Spinback, Inc., an internet commerce company that he co-founded and a Vice President at The GlenRock Group, a private equity firm which invests in undervalued, middle market companies as well as emerging and early stage companies. He was also a consultant to Barington Capital Group, L.P., an investment firm that is a significant stockholder of the Company. Earlier in his career, Mr. Wald held

positions in the mergers and acquisitions department at J.P. Morgan Chase & Co. Mr. Wald received an M.B.A. from Harvard University and an M.S. and B.S. from Cornell University. Mr. Wald is a director of Peerless Systems Corporation (Nasdaq: PRLS) and is a former director of Register.com L.P., a private company which specializes in domain registration, website and business web hosting.

The Board has determined that Mr. Wald and each of the other directors standing for election at the 2010 Annual Meeting are “independent,” other than James Pritchett, the Company’s President and Chief Executive Officer.
